Sub- Skill Development Programme on Oil Palm Hybrid Seed Production -nomination invited- **Reg**

ICAR-Indian Institute of Oil Palm Research (IIOPR), under Dept of Agriculture Research and Education, Ministry of Agriculture, Govt. of India is the nodal agency for the oil palm research and training in India. We have been coordinating and conducting various training programmes to empower different stake holders in oil palm sector.

It is hereby informed that A three day Skill Development Programme on “*Oil Palm Hybrid Seed Production*” will be organized at the ICAR-IIOPR, Research Centre- Palode, Thiruvananthapuram (Kerala) during *October 30th, 31st and November 1st, 2017* for the benefit of officers/ staff involved/ interested in oil palm hybrid seed production as well as planting material production. With the enhanced demand for indigenous oil palm planting material, the course is expected to empower the concerned in enhancing quantity and quality of hybrid seeds. There is no course fee. However, TA-DA of the trainees are to be borne by the sponsoring organizations.

Interested candidates may send their nominations to The Director, ICAR-IIOPR (director.iiopr@icar.gov.in) with copy to the Scientist In-charge, RC Palode (sicrc.iiopr@icar.gov.in) so as to reach on or before 25th October’2017.
