

ICAR – INDIAN INSTITUTE OF OIL PALM RESEARCH
(An ISO 9001 : 2008 Certified Institute)

Pedavegi–534 450, West Godavari District, Andhra Pradesh

Website: <http://dopr.gov.in>

F.No.40/AKMU (7)/2016-17;

Dated 19.01.2017.

To

Sir,

Sub: Limited quotation for Annual Maintenance Contract Computers and Accessories of this Institute – Reg.

Sealed Quotations in single bid are invited for Annual Maintenance Contract for Computers and Accessories of this Institute. Sealed quotations should be sent to this office at Pedavegi, W.G.Dist., A.P., on or before **18.02.2017** by post only. The rates should be quoted as per the price schedule mentioned in Annexure-I.

The quotation should contain EMD of Rs.5,000/- in the form of Demand Draft only. The DD should be drawn in the name of ICAR Unit IIOPR, Pedavegi, payable in Eluru. The quotations not containing the EMD amount will be rejected. The cover containing the quotation must be superscribed as Quotation for "**AMC of Computers and Accessories**". If the cover is not superscribed, the quotation will be rejected straight away. Details of quotation may be seen on our web site www.dopr.gov.in.

Yours faithfully,

A handwritten signature in black ink, appearing to be 'P. Suresh', is written over the typed name 'Administrative Officer i/c'. Below the signature, there is a small blue circular stamp or mark.
Administrative Officer i/c

Annexure -I

Price schedule:

Sl.no	Particulars	Qty/Nos	Total Amount In Rs.
1	Computer server	2	
2	Desktop computer	65	
3	Laptop	11	
4	Printer	44	
5	Scanner	12	
6	Net working	2	
7	Resident Engineer (with 2years experience)	1	
TOTAL			

Note:-Following document must be submitted with the price bid, otherwise quotation will not be considered and no query will be entertained in this regards.

1. Copy of the registration certificate of the Firm.
2. Copy of the PAN card.
3. Copy of service tax/vat registration etc.
4. EMD amount in the form of DD or may be remitted to institute a/c. 448055144, Indian bank, N.R. Pet, Eluru, through online transfer and enclose the proof of remittance with the quotation

Details of the computer and accessories may be seen in Annexure-III and price may be quoted accordingly.

Details of services under AMC for UPS Systems

1. To take care of all the computers and their peripherals in the Institute listed under AMC and coordinate with the supplier for general maintenance of all IT equipment under warranty.
2. To install necessary software on all equipment as and when required and support for new installations and upgradations.
3. To install antivirus software provided by IIOPR and monitor all the systems through the server and download the new patches for update.
4. Maintain and support the Institute's network through periodic monitoring of client nodes and day-to-day maintenance and management.
5. Configuration of servers or workstations
6. To provide support for third party software and changes in the hardware inventory as and when required
7. To identify and resolve LAN / Internet faults and to keep ready disaster management plans to upkeep the servers / systems.
8. To liaise and coordinate with internet service providers (NKN, BSNL etc.) to run services smoothly
9. Effectively monitoring the bandwidth management and integration of multiple bandwidths from different sources and load balancing.
10. For addressing the problems of networking and provide trouble shooting
11. IP Number security, during the contract period IIOPR : IP numbers should not be blocked / shared by any one.

Down time and Penalties:

1. Systems / Printers / network components other equipment should not be down for more than one day.
2. If any equipment in down for more than one day, an equivalent standby must be provided.
3. The down time shall be counted until the unit starts functioning normally again and certified as such by the user and In- charge AKMU.
4. Apart from the above, if the service engineer is absent for more than one day without prior information to the In-charge (AKMU) and no backup manpower is provided during that time, a penalty of Rs. 500/- per day will be charged towards the lack of service.

Replacements: AMC should be comprehensive except consumables. In case any item is being replaced due to the non-availability of that particular item or part, the replaced items should be of permanent nature including critical items with same make / brand of equivalent or higher specifications compared to the old items without any additional cost. Such replacements, to be done with the prior approval of the competent authority and to the satisfaction of the user. A proper official procedure has to be followed for taking items for repair outside IIOPR and an inventory to be maintained for the movement with dates (outgoing and incoming).

Standards : The Materials / equipment maintained under this contract will conform to the Standards mentioned in the Technical specifications, and, when no applicable standard is mentioned, the authoritative standards appropriate to the Materials / equipment' i.e., ISO, such standards will be the latest. The equipment after rectification shall be capable of satisfactory operations.

Quantity of equipment: The quantity of each item indicated in the table is of those, which are in working condition at present. The bidder has to verify all the equipment, mark the AMC stickers on each item and prepare a final list of the equipment under AMC. However, at the time of signing the contract agreement, DIRECTOR, IIOPR, reserves the right to increase or decrease the quantity. Further, during the period of contract also DIRECTOR, IIOPR, reserves the right to withdraw any equipment from contract without assigning any reason. Charges for the items either added or deleted will be paid or deducted, as the case may be on pro-rata basis and effected during the payment for the quarter for which the changes are affected.

Stocking of spares: The following spare parts are to be kept at site to ensure immediate replacement. At any point of time the vendor should maintain the following spares. If any item is replaced from the following spare items, vendor recoups the same immediately. If any equipment is to be replaced on permanent basis in a quarter, prior approval of the competent authority is necessary. The firm should submit a report on such items along with their configurations at the end of each quarter. IIOPR reserves the right to verify the stocks at any point of time.

S.No.	Item	Qty
i.	Complete set of computers	5
ii.	Printers (cartridges and configuration are same as of IIOPR printers)	4
iii.	Keyboards & SMPS	6 each
iv.	Network cards, display cards, RAM, HDD, DVD drive	4 each
v.	Power cables, RJ45 connectors, Patch/cross cables (CAT 5) Optical Mouse / I/O boxes	10 each
vi.	Switch 24 port & 8 Port switch	1 each
vii.	Printer cables (Parallel / USB). FDD, RAMs, Power adapters	4 each
viii.	LAN tester, crimping tool	1

Personnel :

1. One Qualified Resident Engineer experienced in Desktop and peripheral maintenance, network and Server Administration should be available on all the working days between 9.30 AM to 4.30 PM.
2. The service personnel should have minimum two years experience in this area. (Experience certificate to be submitted at the time of entering with AMC with IIOPR, Pedavegi.)

3. The vendor should also ensure that the assigned qualified engineer would work for at least one year at the Institute.
4. IOPR has every right to reject the services of engineer and can ask for a change, if found not fit for the needs of the IOPR. The firm has to provide backup strategy wherever there is "single point" failures / bottleneck failures.
5. In the event of change of any service engineer from this site, prior approval from the In-charge, AKMU is essential.
6. Vendor should make arrangement to provide backup manpower to ensure sufficient help to meet the contingency needs in providing value added services.

Payment :

1. No advance payment is permissible.
2. No pending items are carried forward to the next quarter. In such cases, the vendor has to submit the reasons for not completing the work duly certified by the In-charge (AKMU)
3. If equipment is permanently replaced during the quarter, a prior approval should be taken from the competent authority, then only payment will be effected for that quarter. The vendor will have to predefine the Bank details while entering into contract for transferring the quarterly AMC charges to the bank account of the Vendor.

EMD: The EMD will be liable to be forfeited, if the contractor/Agency withdraws/amend, impairs or derogates the conditions of tender, in any respect within the period of validity of this Quotation. The EMD of the Successful Bidder will be retained till submission of performance security. The EMD of unsuccessful Bidders will be returned after the completion of all formalities.

Security Deposit: An amount equivalent to 5% of the value of the work order has to be submitted to the Institute within 21 days from the receipt of the order.

Validity: The period of validity of the bid submitted by the firm shall be 90 days.

Taxes: Income tax and other statutory levies applicable to such contracts / services will be deducted at source, as per the rate applicable at the time of payment.

Period of contract:

- The period of contract shall be for one (1) year w.e.f the date of signing of the agreement. Performance of the firm will be watched. Failure to fulfill terms and conditions will be viewed seriously and liable for termination.

Initially this contract will be awarded for three months as a testing period. During this period if the vendor's performance is not satisfactory, this contract will be terminated and no correspondence in this matter will be entertained. If the performance of the vendor is satisfactory during this testing period then the period of contract will be for one year from the date of signing the contract by the institute.

List of Computers And Accessories for AMC 2017

Item Code	SPECIFICATION	LAB / SECTION / USER
Category : Computer Server		
R-01	HP Proliant ML 650 G6 Server Intel Xeon • E 5504 @ 2 GHz 6 GB RAM, 3X300GB HDD, HP 410i Raid Controller, 19" Monitor, Keyboard, Mouse	AKMU (OPKiMMS)
R-02	HP Proliant ML 650 G6 Server Intel Xeon • E 5504 @ 2 GHz 6 GB RAM, 3X300GB HDD, HP 410i Raid Controller, 19" Monitor, Keyboard, Mouse	AKMU (VC)
